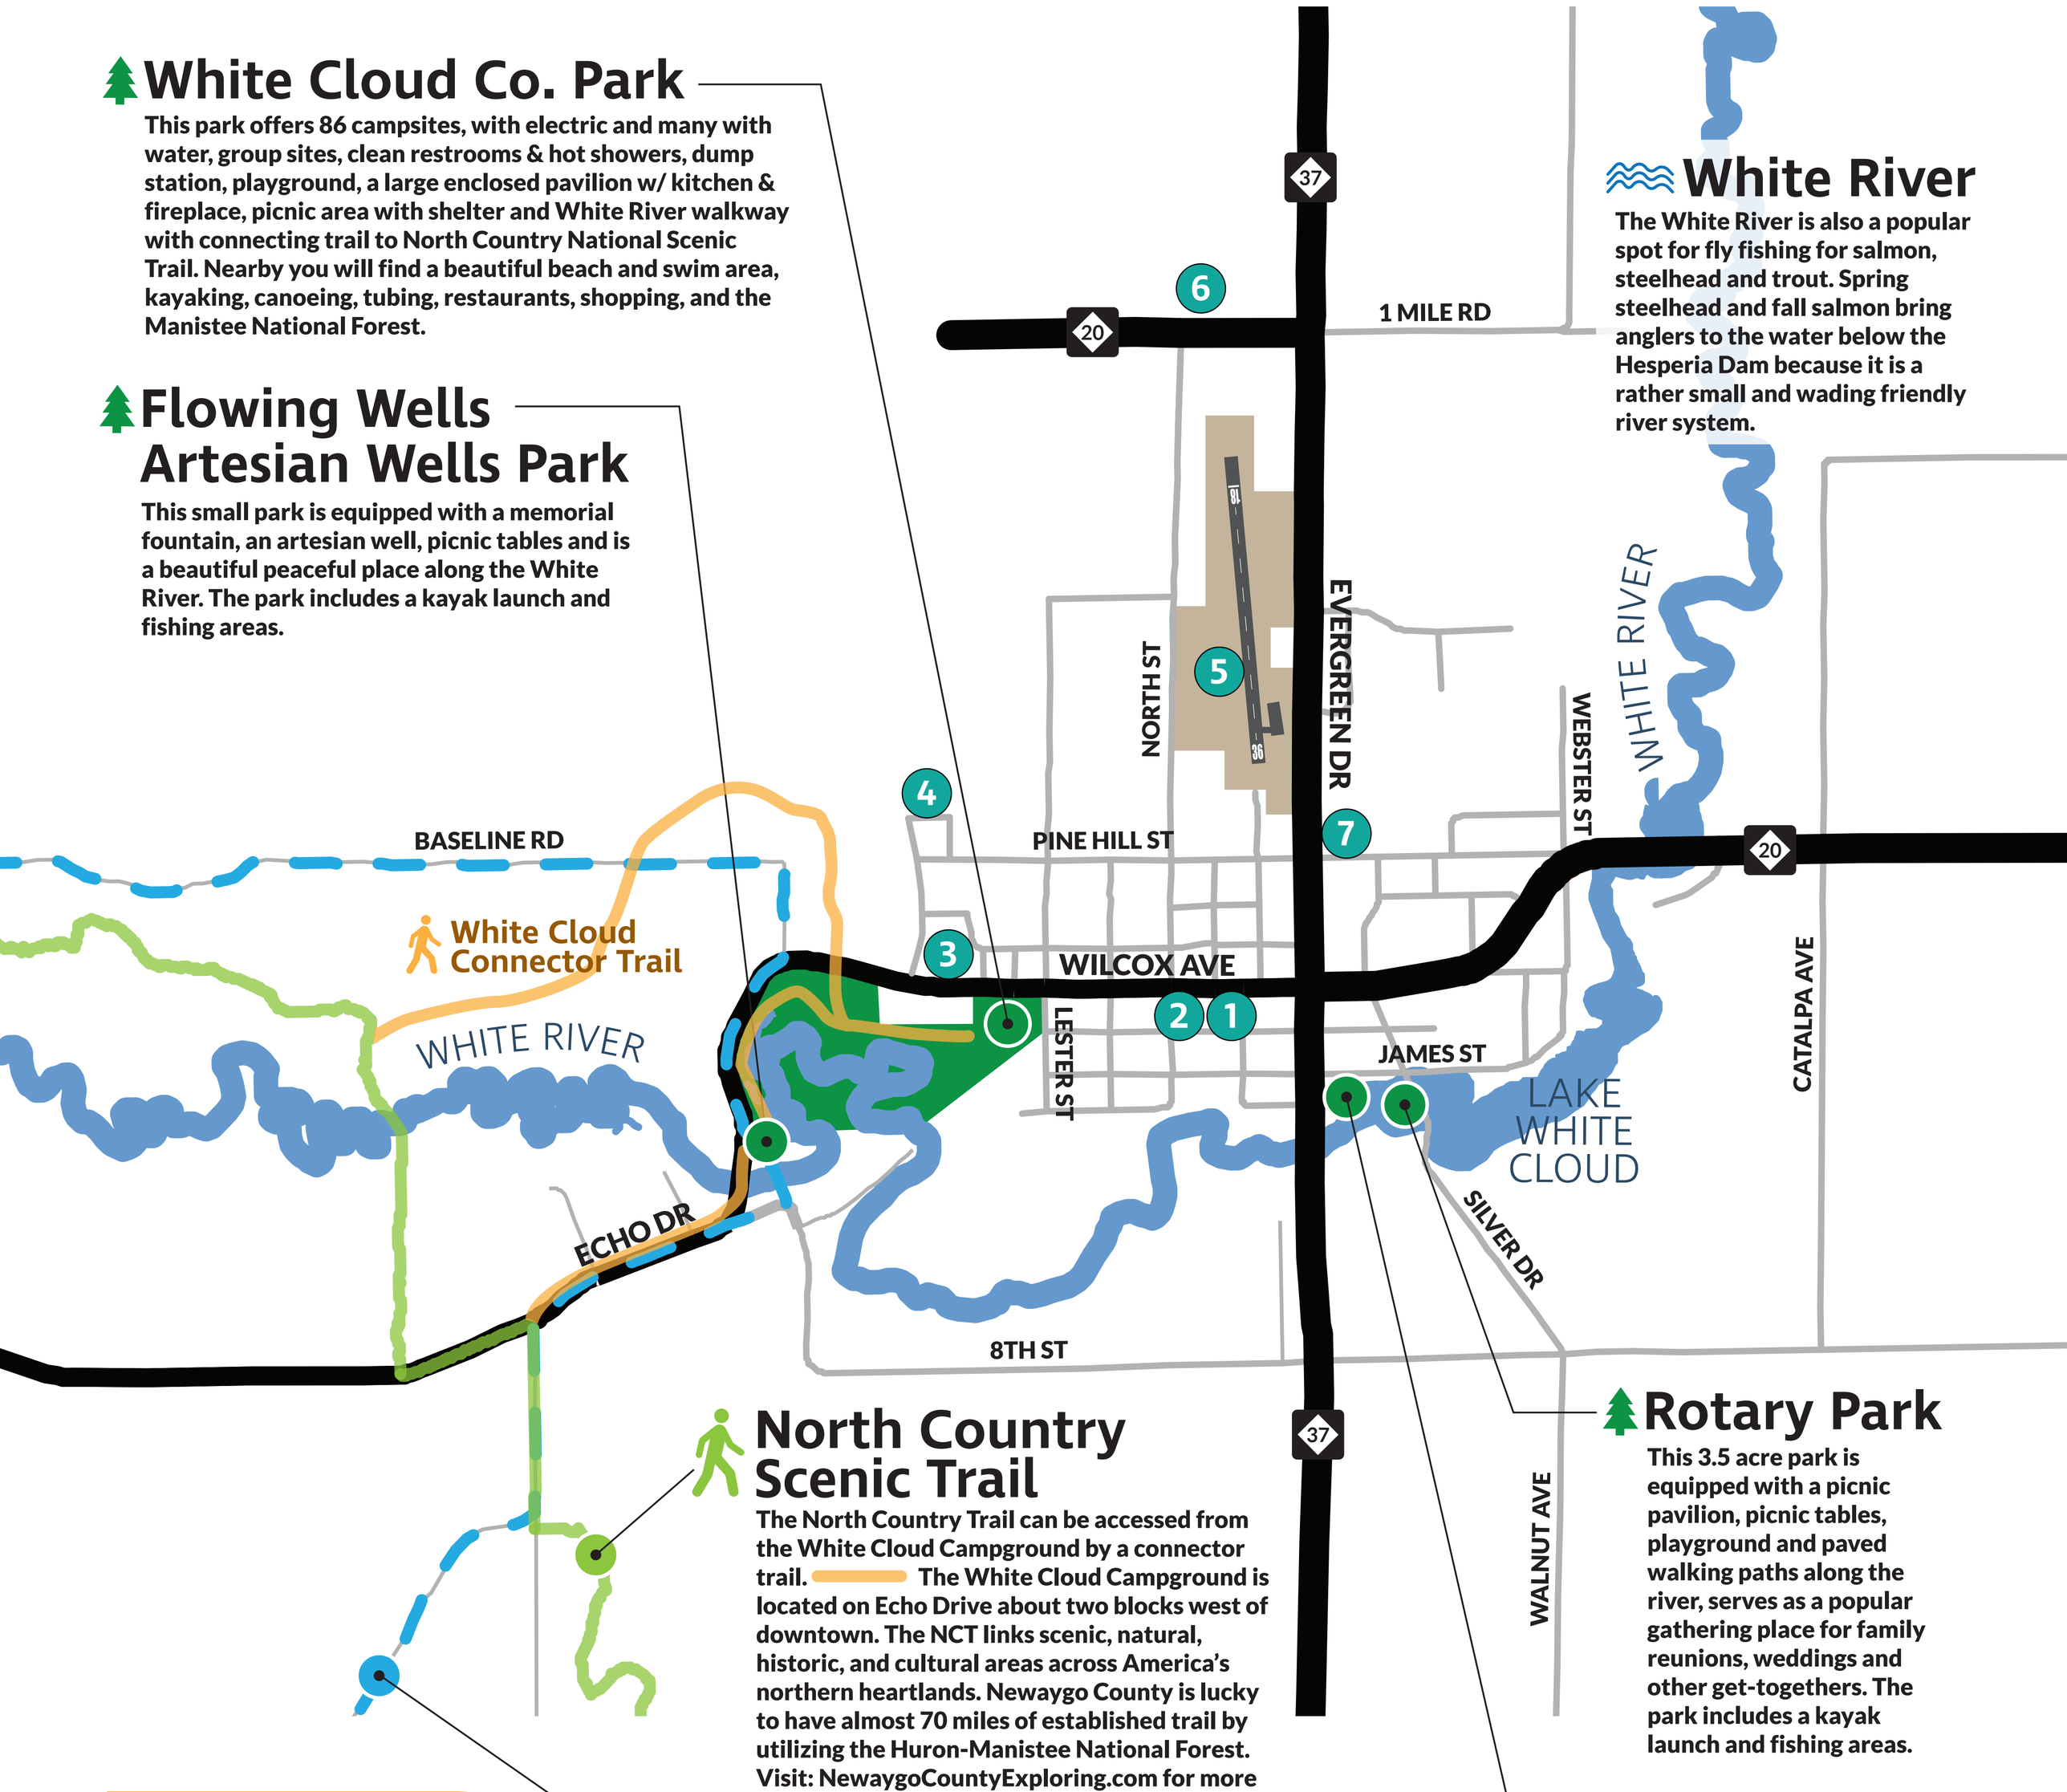
Flowing Wells Artesian Wells Park

This small park is equipped with a memorial fountain, an artesian well, picnic tables and is a beautiful peaceful place along the White River. The park includes a kayak launch and fishing areas.

White River

The White River is also a popular spot for fly fishing for salmon, steelhead and trout. Spring steelhead and fall salmon bring anglers to the water below the Hesperia Dam because it is a rather small and wading friendly river system.



North Country Scenic Trail

The North Country Trail can be accessed from the White Cloud Campground by a connector trail. The White Cloud Campground is located on Echo Drive about two blocks west of downtown. The NCT links scenic, natural, historic, and cultural areas across America's northern heartlands. Newaygo County is lucky to have almost 70 miles of established trail by utilizing the Huron-Manistee National Forest. Visit: NewaygoCountyExploring.com for more information and an interactive map.

Rotary Park

This 3.5 acre park is equipped with a picnic pavilion, picnic tables, playground and paved walking paths along the river, serves as a popular gathering place for family reunions, weddings and other get-togethers. The park includes a kayak launch and fishing areas.

MDNR Snowmobile Trail (Open Dec 1 - March 31)

Snowmobiling routes are abundant throughout the county with the White Cloud Trail embarking from the Sports Park Complex and winding its way north to the county line and beyond on well-groomed paths. Sled riders can witness a wide variety of wildlife as they wind their way past wooded wilds and rolling hills, then stop for lunch in White Cloud or Woodland Park to take in some local fare. The trail connects to trails throughout Lake County to our north with over 100 miles of continuous riding available.

Smith Park/ Mill Pond

This park was gifted to the community by Charles and Anna Smith in 1950. It features a swimming area with a dock, playground equipment, public restrooms, and a basketball court.
